

How to use my family's safety confirmation card

(Wagaya no anpi kakunin kado)

(Drawn up in Apr. 2023)

What is my family's safety confirmation card?

チラシJ

- When to use ? ⇒ When a large earthquake or a flood disaster happens.
- Where to use ? ⇒ At safety confirmation sites of each resident and neighborhood association (=Jichikai and Chonaikai)
- How to use ? ⇒ Please fill your family information in it and submit it to a board member of your resident and neighborhood association.
- When a large-scale disaster occurs, you should evacuate to a designated (emergency) evacuation site first. Then, you should go to the safety confirmation sites designated by your resident and neighborhood association once your safety has been confirmed under such a condition as a large TSUNAMI warning had been lifted. At that time, please utilize the “my family's safety confirmation card” to avoid dense and crowded situation and to conduct safety confirmation immediately.

◎In an actual disaster, the card information will be used for search operation of a missing person.

Entry example

Q & A

Q 1 .How should I usually keep it? ⇒ A 1 . Please keep it in an emergency bag or at house entrance where you can take it out easily for your evacuation.

Q 2 .How is it distributed? What should I do, if I lost it?

⇒ A 2 . It's distributed through the resident and neighborhood association you belong to. When you lost it, please contact your resident or neighborhood association; or Regional Disaster Prevention Division below.
