

Quando ocorrer a Emissão da Declaração de Alerta ou um terremoto repentino, as pessoas que moram em casa em perigo de desabar ou que moram em regiões sujeitas a inundações por tsunami, terão locais em caráter provisório até que tenham um local de refúgio determinado. (Estão excluídas as escolas das regiões sujeitas a inundações por tsunami.)

Será designado uma casa de refúgio pós desastres em caso de desabamento da casa, incluindo as escolas das regiões ameaçadas de inundações por tsunami.

Verifique com antecedência os locais e casas de refúgio da sua região.
